Players' Agents Examinations in September 2011

Dear Sir,

Referring to the subject of the reference, we are pleased to inform you of the results of the Players' Agents Examination, which was organised by your Federation on 29 September 2011.

First of all, we would like to remind you that the total number of possible points for correctly answering all the questions of the examination was 20 (i.e. 15 points for the questions on the international regulations provided by FIFA and 5 points for the questions on national regulations prepared by your Federation). In this respect, on the basis of art. 8 par. 9 of the Players' Agents Regulations (hereinafter: *the Regulations*), it was decided that an applicant is required to obtain at least 14 points of the total amount of possible points in order to successfully pass the examination.

Please find enclosed the list of all the candidates including the points they obtained and the indication of whether they passed the exam or not. As you will note, out of the 132 applicants sitting the examination, 31 obtained at least the minimum marks required, whereas 101 failed. We kindly invite you to inform the respective applicant accordingly.

In continuation, we would like to draw your attention to the next steps, which need to be taken. In accordance with art. 9 par. 1 of the Regulations, the association shall request the applicant who successfully passed the examination to conclude a professional liability insurance and to remit it to the association responsible for consideration and approval. Furthermore, in accordance with art. 11 of the Regulations, the successful applicant shall sign the Code of Professional Conduct (cf. Annexe 1 of the Regulations), by means of which he pledges, without fail, to abide by the basic principles described therein when acting as a players' agent and to remit the original likewise to the association.

FIFA®*For the Game. For the World.*

In this respect, we would like to draw your attention to the fact that, as intimated in art. 12 par. 3 of the Regulations, an applicant who successfully passed the examination is required to conclude professional liability insurance and to sign the Code of Professional Conduct **within six months** as of the day on which the examination was taken. Otherwise, the examination will have to be taken again.

Once your Federation will have informed our services that all the above requirements have been fulfilled and that the players' agent licence has been issued to a specific applicant, we will proceed to include his name in the official players' agent list on our website.

We thank you for your kind attention to the above.

Yours faithfully,

On behalf of the
Players' Status Committee
